

MODEL: SPH2

Product Description: 2KW Digital Panel Heater LCD Display with thermostat

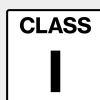

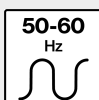

Product Features

- Silent operation with instant heat
- Wall mounted
- Overheat protection for added peace of mind
- LCD digital control for 24/7 control over heating
- Slim, compact design won't take up too much space
- Corrosion-resistant powder-coated body
- Hard-wired (Plug top not included)
- Lot 20-compliant with open Window Function

Technical Information

Wattage (W)	2000W
Working Temperature (°C)	5° - 30°
Accessories/Fixings Supplied	Wall Bracket, Fixing Screws
Approvals/Certifications	CE, UKCA, RoHS, LOT20
Body Material	Powder coated corrosion resistant steel.
Cable Length (metres)	1.5
Class	I
Effective Coverage Area (cm²)	20
Frequency (Hz)	50-60Hz
Grill	Steel
Ingress Protection (IP)	IPX4
Input Voltage (v)	220-240V
Mounting	Wall
Output Rating (W)	2000W
Over-Heat Protection (Y/N)	Y
Product Colour/Finish	White
Remote Control (Y/N)	N
Screen Display	LCD
Suitable Room Size (m²)	20m ²
Timer (Y/N)	Y

Tip-Over Sensor (Y/N)	Y
Warranty Period (Years)	1
Wifi/Bluetooth (Y/N)	N
Dimensions (mm)	870*110*450mm
Barcode	5027825988776
